

...We need each member's participation ...

(and friends)

October 19, 1972

At the last Eastlake Community Council meeting,
September 21, a resolution was passed
as follows:

that we notify all ECC members of the
debt that exists for court costs for
the Supreme Court appeal for the
Roanoke Reef case,
in the amount of \$1900

[now, approximately \$1600];

and,
that at \$6⁰⁰/member,
this debt can be substantially reduced.

...that's each member

We would ask that all who can and will,
give what you can, and will.

(by handing this to you this evening, we're
saving the council treasury 8¢ —
please remember it if you let it go
until after the evening's over).

Thank You -
