Eastlake Community Council elects its new officers each year at the Annual Dinner Meeting held in the fall. This year the meeting will be held at the Tye Yacht Club at 3229 Fairview East, on Wednesday night at 6:00 p.m., October 24th, 1973.

There are seven board positions, President, Vice-President, Secretary, Treasurer, Historian, and two Board Members-at-Large. Officers must attend monthly General Meetings and monthly Board Meetings. The Board members decide the date of the General Meetings each year, (i.e. third Tuesday of each month), so that if you would like to come to meetings, please let them know which nights you think are good meeting nights.

In general, each board member, or officer, is responsible for the maintenance and growth of the council, and is responsible for seeing that the organization continues to meet the needs of the people in the community and look out for their best interests. Board members must also work with other agencies (community, city, private, and others) to improve the quality of life and to establish an environment that is necessary for sane and humane city living.

The President of the Council must preside at meetings, receive and open and distribute all mail addressed to the Council, organize the Board into an efficient, working body, represent the Council at public and other meetings, greet and meet people, and serve as a leader in introducing plans and ideas.

The Vice-President of the Council must, in the absence of the President carry on the duties of the President, and in general fill in for all the other officers in their absence and work on special projects.

The Secretary of the Council must take the minutes at each meeting and keep a record of these minutes, and in general maintain a file of Eastlake Community Council business. The Secretary also shares with the President the duty of maintaining correspondence.

The Treasurer of the Council must maintain the records of the bank accounts, receivables and payables; submit reports at the general meetings, and advise the council in financial affairs when necessary. The Treasurer also works on special projects.

The Historian of the Council maintains a scrapbook of all data that tells or relates to the Council's activities. The Historian also works on special projects and sometimes helps with the newsletter.

The two Board Members-At-Large serve to bolster the strength of the Board by taking on special assignments and projects, and providing support to the President. The two Board Members-At-large are like free-lance officers, they have no specific duties, but must provide support and aid where needed.

The office of the President carries the most work and responsibility. All of the other Board positions are equal in terms of responsibility and workload.

At the last Board Meeting nominations were made for next year's officers. They are as follows:

- President: John Cowell, Phil Keightley
- Vice-President Paul Trush, Mark Rasmussen, John Cowell
- Secretary: Marge Anderson, Ed Dupras
- Treasurer: Mark Clemmens
- Historian: Daniel Reiss, Barbara Schlag
- Board-at-large; Paul Mason, Paul Trush, Mark Rasmussen

Others who were nominated but felt that they could not accept the nomination are: Priscilla Trush, Marty Klapper, Phyllis Boyker, Esther Carlson, and Joy Belsky.

We wish to thank all the nominees for the interest they have shown and the time they have put in for Eastlake Community Council, and good luck to all of you.
