DARREL GROUTHAUS TO SPEAK AT
NEXT GENERAL MEETING

The next general meeting of the Eastlake Community Council will be on Tuesday, November 20--7:30PM in the lunchroom of the Seward School (the small wood building). All Eastlake residents are encouraged to attend whether you are a member of the Community Council or not. The General meetings are always open to the public.

Our feature guest will be Darrel Grouthaus from the Department of Community Development who will address our questions and concerns regarding the reenactment of the Seattle Shorelines Master Program.

The Board of the Community Council is concerned (as are many Eastlake residents) about the use of "up-land lots". It is proposed that the land across the street from the shoreline will be governed by underlying zoning codes--in Eastlake that means much commercial and manufacturing zoning codes could apply. And in the accompanying environmental impact statement, the East side of Fairview Ave. is the example of an area appropriate for office building and hotel development.

Yes folks, this makes us a little nervous. For years we have been able to monitor development in Eastlake through use of the Shorelines Management Act. This might change... and if you are concerned about the neighborhood development pattern, here is the time, the place, and the person who should hear those concerns.

CRITICAL NEIGHBORHOODS

The Eastlake Community Council is continuing to develop a workplan for the person who will be assigned to our Eastlake neighborhood from the Department of Community Development. "THANKYOU" to all of you who have given us input for this plan. In the next newsletter, we hope to have a survey for Eastlake residents on "What makes Eastlake Special to You?" Anyone who has a concern, questions or comments on this project may contact Kathy at 322-3189... or write to :Eastlake Community Council

DEAR NEIGHBOR

Seattle is quite a city among cities; a nice place to live. And among places to live in Seattle, what neighborhood can compare with Eastlake?????? We are lucky to have this unique place to share, and the Community Council is determined to speak up for our goals and interests in any situation which could affect the quality of life here in Eastlake.

We invite you to join us in this good and necessary work for Eastlake. Everyone in the neighborhood is welcome to become a member of the Eastlake Community Council. We meet on the 3rd Tuesday of each month at 7:30pm at the Seward School. Annual membership dues are \$3 for Senior Citizens, \$5 for households (apartment dwellers or homeowners) and \$10 for businesses. These funds help pay for the monthly newsletter, office expenses and legal fees (such as the lawsuit to block Roanoke Reef).

So we hope to see you at our next meeting to listen--or to share your ideas or concerns. And please, take a moment now, to fill out the membership form below, and mail it, along with your check to the Eastlake Community Council. We're glad to have you with us, Neighbor.
