EASTLAKE COMMUNITY COUNCIL

P.O. BOX 4101

SEATTLE, WASH. 98104

VICTOR STEINBREUCK TO SPEAK AT NEXT GENERAL MEETING!!!

The next Eastlake Community Council Meeting will be held on Tuesday pm, January 15 at 7:30 in the Seward School faculty lunch room (2nd floor of brick building).

Victor Steinbreuck will be presenting his "famous slide show tour of Eastlake. It will be a good meeting to meet your neighbors and get to know more about your neighborhood.

ANOTHER IMPORTANT MEETING.....
will be held on Thursday, Jan 24 at the Seward School. The Eastlake neighborhood and the Transportation Department will meet to review the 12 proposals for the site under the freeway at Fairview and Fuhrman. The Transportation Dept. will hand out a questionnaire which will allow all attendants at the meeting to rate the proposals. These ratings will be used by the Transportation Dept. to evaluate public acceptance of the various proposals.

Some of the past proposals which have been presented to the Community Council are: KOA Campground, mini-warehouses, pea patch garden, raquet ball courts and an office building. Public input is encouraged so we hope to see a good turnout at the meeting. If you have questions about the process, call Peter Erikson at 764-4165.

RUMMAGE SALE

Would you like to get a head start on your spring cleaning??? Here's how: we need donations for the Eastlake Community Council. We'll be glad to have any interesting or usable items that you would like to give. We will sell them on March 8 at "THE GREAT GARAGE SALE" which is organized by KING Radio for community groups throughout Seattle. It will be a major event at the Seattle Center Exhibition Hall where we have asked for 2 spaces.

In next month's newsletter we'll have the details for you, but in the meantime if you would like to tell us about your donations we would like to hear from you at the next General Meeting (on Jan 15) or drop us a note in the mail (PO Box 4101, Seattle 98104). Either way, we'd like as much advance information as possible about donations (size, weight, etc.).

EASTLAKE TO FIGHT DEMOLITION

Another single-family home in our neighborhood is threatened by demolition. At the corner of E. Franklin and Lynn, just across from Anita's Grocery, developers are proposing a 7-unit apartment on the site of what is now 3 units of lower priced housing. Without adequate space for parking and access only on Lynn St., the project poses serious problems and adverse impacts on our community. It will also block upland views of Lake Union.

DEMOLITION, continued.

More importantly, this project typifies the kind of insensitive development that is leading to the destruction of both the physical and social character of our neighborhood. We need lower density, affordable housing in Eastlake, and we need a mix of single-family homes and light density housing. Without it, Eastlake will lose that unique diversity which is the cornerstone of its liveability and enjoyability (the reason we like living here)! The Community Council is fighting against demolition permits being issued for the project. We have appealed the city's declaration of no significant impact (DNS) and will argue before the City Hearing Examiner that a comprehensive Environmental Impact Statement is required and that demolition cannot proceed. We need ANY support you can offer!! (financial and/or organizational). Call Kathy Shea for details or send donations to the Eastlake Community Council, P O BOX 4101, Seattle, 98104. (Kathy's phone: 322-3189). Thank you for your support.

We are organized to:

encourage and enjoy a sense of community in this neighborhood;

work to highlight and preserve the history and the things that make Eastlake a good place to live and work;

provide a clearinghouse for information on governmental and private programs that affect our community;

be an action group to initiate and encourage programs and projects that will enhance our day-to-day existence;

work for the preservation and public enjoyment of the shorelines;

work with other groups to improve the quality of life in the city as a whole.

Join us now!

APPLICATION FOR MEMBERSHIP

Yes! I love Eastlake and want to support my community.
