**Community School Survey**

Would you be interested in taking afternoon or evening classes at Seward School? As detailed in the *Eastlake News*, the Eastlake Community Council and the TOPS program are joining to offer classes for all ages this spring. But we need to know which classes you want us to offer. *Please write an A next to the three activities in which you would be most interested, and a C next to the three activities in which any children in your household would be most interested.* Then list any other suggested classes, and let us know if you would like to help as a teacher or in some other volunteer capacity.

Also, please note that child care for ages 5 to 12 is available at Seward Kids' Company from 7 to 9 p.m. and from 3 to 6 p.m. Eligibility is open to Eastlake residents and those who commute to jobs in the neighborhood. For information on day care, call 324-3652.
