### OPPORTUNITY FOR COMMENT

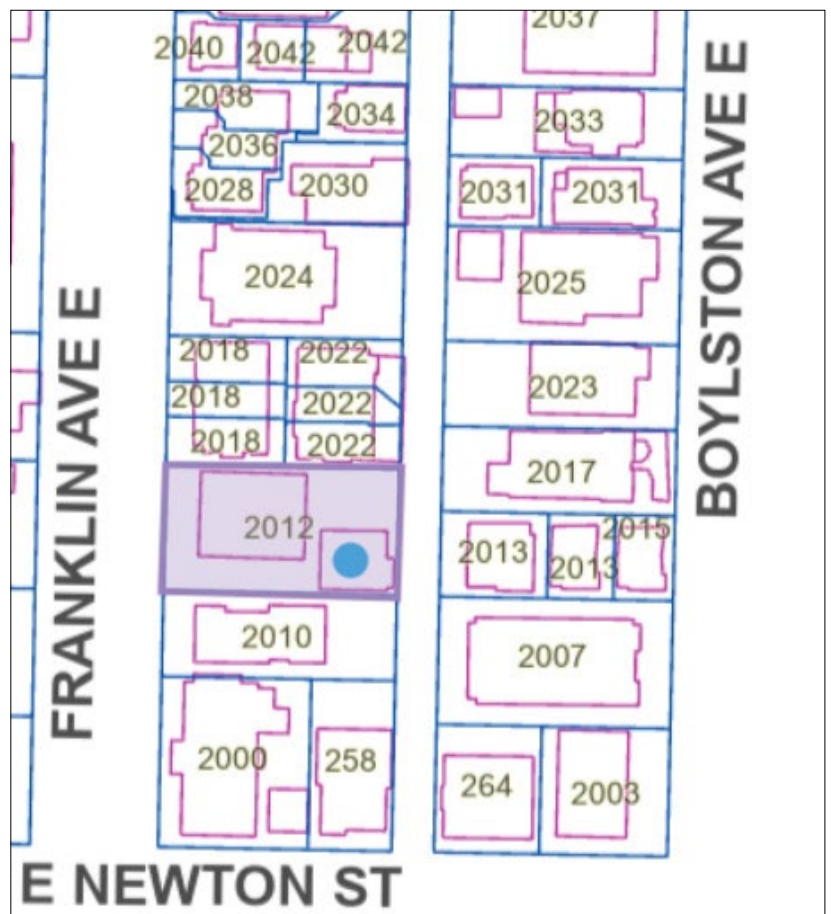

SDCI will accept written comments to assist in the preparation of the **early design guidance** through **August 24, 2022**. You are invited to offer comments regarding important **site planning and design issues** you believe should be addressed in the design of this project. Please note that the proposed design will likely evolve through the review process. These changes will be reflected in the *Design Proposal* documents included with other project documents found at [Seattle Services Portal](https://cosaccela.seattle.gov/portal/welcome.aspx) (<https://cosaccela.seattle.gov/portal/welcome.aspx>) or [Permits Search](#).

Submit all comments and requests to be made party of record to [www.seattle.gov/project/comment](http://www.seattle.gov/project/comment) or City of Seattle – SDCI – PRC, 700 5th Avenue, Suite 2000, PO Box 34019, Seattle, WA 98124-4019.

### PROCESS

Following the public comment period, the Seattle Department of Construction and Inspections will issue a written design guidance report. This report will consider public comment and the applicable city-wide and neighborhood specific Design Guidelines and will serve as the basis for further review of the building permit. Once the applicant has incorporated the design guidance into the proposal they may apply for a building permit. No public notice of the building permit application will be provided.
