

**BRING BACK THE SIDEWALK ON THE WEST SIDE OF HARVARD AVENUE EAST, NORTH FROM LAKEVIEW BLVD.**

We the undersigned request that the Mayor, City Council, and Seattle Department of Transportation fund a sidewalk where one is missing on the west side of Harvard Avenue East (there was one until Interstate 5 was built). A priority should be the first 300 feet north of the intersection with Lakeview Boulevard, where on the east side of Harvard Ave. the sidewalk is steeply elevated above and not reachable from the street, and to the south that sidewalk ends in stairs that are impassable for wheelchairs, strollers, and anyone with mobility difficulties.
